

LIVES CHANGED THROUGH  
THE APPLICATION OF  
GOD'S WORD

ANNUAL REPORT

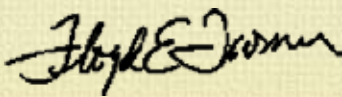

**Thy Word  
Network**  
*Psalm 119:105*

# Dear Friends,

Each day, our Broadcasts of God's Word through Music and Ministry touch lives... and change them! God has promised that His Word will not return void, but will accomplish His divine purposes. Not only that, but it will prosper in the "thing which I have sent it" (Isaiah 55:11). That is, His divine will is accomplished by His divine Word.

What an awesome privilege we have to partner together in a ministry that is really nothing more than a conduit for God to speak His Word into the hearts of listeners. Susan and I count it a great and humbling opportunity to play a small role in His divine plan, and we invite you to come and join us as we enter in to His work: Broadcasting God's Word. Lives are being changed forever!

In Christ,

Floyd Turner

### Dedicated to Ministry Care

Broadcasting God's Word is our forte. It's what we do best. But we believe that God has also called Thy Word Network to minister wholistically to our listeners' needs. This means that we are dedicated to taking care of all of our listeners' needs- even ones that radio waves can't reach.

**We believe one of our listeners' greatest needs is for solid family relationships.** This is why we regularly schedule events specifically designed to encourage the development of deep, lasting family bonds. These events include hosting tailgate parties before exciting Tri-State Speedway races, and finding sponsors to subsidize the costs of a few rounds of mini-golf for our listeners so they can enjoy a relaxing day of quality-time with their families.

**Our most popular family event is our Annual Fishing Follies.**

Each year, more than 100 listeners and their families gather around a series of ponds and lakes to enjoy a completely free day of catching fish, frying up and eating the day's catch, and making crafts with the kids. Thy Word strongly values providing such events for families to enjoy each other.

## Fun(d) Raisers...

Thy Word Network is committed to the wise stewardship of our finances. A big part of wise money management includes fund raising.

We host an Annual Golf Outing. This provides many men and women the opportunity to support Christian Radio while enjoying their favorite sport!

## ...as Evangelism Tools

We do not want to waste any opportunity to share the gospel. Therefore, our fund raisers, such as the Golf Outing, are designed to be very community oriented. Such events give our listeners an easy way to introduce their friends to Christian Radio Ministries, in familiar and fun contexts. Even a fund raiser could be someone's first step toward Christ!

## We Need Your Partnership

Thy Word Network is a conduit. We simply channel the resources that you provide toward reaching the Tri-State for Christ!

We are a 501(c)(3) organization, which means that it is gifts from **listeners just like you** that enable the continued Broadcasting of God's Word.

**Your gifts** enable the constant expansion of our programs, and on- and off-air ministries. By supporting Thy Word, you are more than a mere donor. You are our partner.

We strive to be good stewards of gifts we receive from listeners, and are a debt-free organization.

**Our projected need—to run 4 stations—in 2010 is \$550,000.**
